

Re letter to Mr. Mott Schmidt: Mrs. R. said that while for good reasons she and Mr. R. had not continued to use him at 740, he is called in on things in the country and is very helpful. She also mentioned that the sons sometimes give him something to do.

New York 21, N. Y.

Dear Mr. Rockefeller:

In glancing through my office files, I note that we designed 740 Park Avenue for you back in 1937, and that during the 1930's, 1940's and 1950's we have had the pleasure of being associated with various other projects for you and for members of your family.

So, now, at the beginning of a new decade, I should like to thank you for these opportunities, as well as for your unfailing understanding, generosity and kindness through the years gone by. I wish you and Mrs. Rockefeller all the best in life for the years to come.

Sincerely yours,

Mott B. Schmidt
